Grip Erasable Crayons

New

Ergonomic Design: Triangular shape - teaches proper grip technique and prevents crayons from rolling off desks. Raised non-slip grip dots to provide better control and comfort while drawing.

Mess-Free Formulation: Made with a wax hybrid base. They do not smudge, flake, or crumble. This formulation ensures that children's hands stay completely clean.

Ambidextrous Use: Formatted symmetrically to accommodate both right-handed and left-handed children.

Erasable & Sharpenable: Formulated so lines can be removed using standard erasers and can also be sharpened for fine border and detail work.
